<p>1  48</p>	<p>The Symbols Forgiveness and God/Goddess unite to become Unconditional Forgiveness</p>
<p>49 <i>Unconditional Forgiveness</i> <i>Nature: Integrative</i></p>	<p>Unconditional Forgiveness brings forth the essence of God Goddess in relation to being in a state of allowance. This creation vibration is the ability to embrace all as one expanding into itself. As this vibration becomes inherent in the energy pattern, all passes through without the need to cling or blend or manipulate, simply allowed in its existence seeking to expand.</p>
<p>4  48</p>	<p>The Symbols Compassion and God/Goddess unite to become Unconditional Compassion</p>
<p>50 <i>Unconditional Compassion</i> <i>Nature: Completion</i></p>	<p>Unconditional Compassion is a completion tone that unifies tones 40-49 into a singular vibration of unconditional compassion. Unconditional Compassion is the aspect of God Goddess that provides a clearing or opening for creation as the needs of all are sensed and can be provided for through the application of this vibration. This vibration is wholeness in the ability to touch or work with the creation vibrations in expansion and completion stemming from the unending desire to create, to expand, to evolve.</p>
<p>6  48</p>	<p>The Symbols Unconditional Love and God/Goddess unite to become Omnipresent Love</p>
<p>51 <i>Omnipresent Love</i> <i>Nature: Active</i></p>	<p>Omnipresent Love seeks to open expansion in new and different directions, combining itself with other creation tones, pushing outward beyond the known. This tone expands the magnitude of other tones such that they become as fire within their expression, clearing, purifying, transitioning, transmuting. Any expression combined with Omnipresent Love has no stopping point of measure, only direction unimpeded.</p>
<p>11  48</p>	<p>The Symbols Jurisdiction and God/Goddess unite to become Omnipresent Jurisdiction</p>
<p>52 <i>Omnipresent Jurisdiction</i> <i>Nature: Passive</i></p>	<p>Omnipresent Jurisdiction is the tone of creation guidance that forms and contains as an expression of its magnificence in the blending of itself with other creation tones. Direction, agenda, and dispensation for the implementation of the divine plan are aspects of Omnipresent Jurisdiction. This tone orchestrates evolution by dispensing, as needed the molding or modulating vibrations that allow creation an ordered expansion.</p>

<div style="display: flex; justify-content: space-between; align-items: center;"> 20  48 </div>	<p>The Symbols Stealth and God/Goddess unite to become Unconditional Stealth</p>
<div style="display: flex; justify-content: space-between; align-items: center;"> 53 <div style="text-align: center;"> <p><i>Unconditional Stealth</i></p> <p><i>Nature: Integrative</i></p> </div> </div>	<p>Unconditional stealth is the strength and stamina behind any creation that allows for unity of purpose and direction in all areas of union between creators. The tone is integrative uniting all who chose to dance together in common purpose in the act of creation. The act of creation is not determined by the size, but by it's magnitude of purpose. Magnitude of purpose within unity consciousness is determined by the vibration of honor. Honor underlies stealth in relation to all aspects of the act of creation.</p>
<div style="display: flex; justify-content: space-between; align-items: center;"> 29  48 </div>	<p>The Symbols Integrity and God/Goddess unite to become Unconditional Integrity</p>
<div style="display: flex; justify-content: space-between; align-items: center;"> 54 <div style="text-align: center;"> <p><i>Unconditional Integrity</i></p> <p><i>Nature: Active</i></p> </div> </div>	<p>Unconditional Integrity is the vibration and tone that actively causes the vibration of integrity to be integrated in all acts of creation. In integrity, honor is reflected in all relations within a given creation. Therefore integrity is a necessary ingredient to sustain honor in any act of creation. Integrity brings forth honest communication in all interactions. Honesty is necessary for a creation to sustain honor, for honesty allows for all aspects of expression to be seen with nothing veiled or hidden. As all aspects of a creation are seen then all aspects can be effortlessly be brought into alignment for the purposes of evolution.</p>
<div style="display: flex; justify-content: space-between; align-items: center;"> 3  48 </div>	<p>The Symbols Power and God/Goddess unite to become Unconditional Life Force</p>
<div style="display: flex; justify-content: space-between; align-items: center;"> 55 <div style="text-align: center;"> <p><i>Unconditional Life Force</i></p> <p><i>Nature: Passive</i></p> </div> </div>	<p>Unconditional life force is the vibration or tone that fuels all aspects of creation. All aspects of creation are viewed as equal, and therefore worthy of as much creative force necessary to sustain and allow for the evolution, continued expansion or ascension of all life forms. The tone of unconditional life force will draw the necessary chi into one's creation to sustain it, additional chi necessary to evolve it, or supply the necessary fuel to bring a new creation into manifestation.</p>
<div style="display: flex; justify-content: space-between; align-items: center;"> 16  48 </div>	<p>The Symbols Magnitude and God/Goddess unite to become Unconditional Magnitude</p>
<div style="display: flex; justify-content: space-between; align-items: center;"> 56 <div style="text-align: center;"> <p><i>Unconditional Magnitude</i></p> <p><i>Nature: Integrative</i></p> </div> </div>	<p>Unconditional Magnitude is the tone that allows for stealth, integrity and life force to be united to bring forth the magnitude of a creation. Magnitude is synonymous with the word magnificence. Magnificence is experienced as all aspects of any creation are brought into absolute alignment with the divine plan of All That Is and the evolutionary pathway of ascension. Magnitude unites all aspects of any creation with the common purpose of evolution.</p>

 <p>8 15</p>	<p>The Symbols Divine Union and Prosperity unite to become Bounty</p> <p>Bounty is the abundance that occurs as unconditional magnitude is present within any creation. Bounty comes from all aspects of a creation receiving adequate care, nurturing, attention, love and chi. As all aspects of a creation receive adequate care, all aspects can evolve and ultimately ascend. Bounty insures that all necessary nutrients are available for the evolution of the segments of a creation thus also insuring the overall evolution of the creation at large.</p>
<p>57</p> <p style="text-align: center;"><i>Bounty</i> <i>Nature: Active</i></p>	<p>The Symbols Honor and Communication unite to become Service</p> <p>Service is the understanding that all aspects of a creation are in service to the overall purpose of a creation. Each part contributes its gifts and talents to the greater good of the whole. Each contribution is unique and fulfills upon a particular aspect of creation. Service implies that each aspect gives fully of itself for the greater benefit of the whole, without limitation, and without measure. As each aspect contributes in an unlimited manner, the maintenance and evolution of the whole of any creation is assured.</p>
 <p>31 42</p>	<p>The Symbols Compassion and Communion unite to become Unconditional Union</p> <p>Unconditional Union is the tone that sustains union between the creator and the creation in a constant dance and exchange of energy. As the creator dances with the creation, unconditional union amplifies the chi thus sustaining the creation and fueling it for further evolution and ascension. Unconditional union allows for constant communication between the creator and creation, thus allowing for the experience of the creator directing the creation through each step of evolution.</p>
<p>58</p> <p style="text-align: center;"><i>Service</i> <i>Nature: Passive</i></p>	<p>The Symbols Unity Consciousness and Community unite to become Unconditional Community</p> <p>Unconditional Community is a completion tone, which allows tones 50-59 to become unified into the single tone of unconditional community. Unconditional community allows for multiple creations to stand side by side in a state of unconditional union together. Unconditional community allows for multiple creators and creations to dance under the umbrella of a common purpose in order to evolve or ascend together.</p>
 <p>4 38</p>	<p>The Symbols Unity Consciousness and Community unite to become Unconditional Community</p> <p>Unconditional Community is a completion tone, which allows tones 50-59 to become unified into the single tone of unconditional community. Unconditional community allows for multiple creations to stand side by side in a state of unconditional union together. Unconditional community allows for multiple creators and creations to dance under the umbrella of a common purpose in order to evolve or ascend together.</p>
<p>59</p> <p style="text-align: center;"><i>Unconditional Union</i> <i>Nature: Integrative</i></p>	<p>The Symbols Unity Consciousness and Community unite to become Unconditional Community</p> <p>Unconditional Community is a completion tone, which allows tones 50-59 to become unified into the single tone of unconditional community. Unconditional community allows for multiple creations to stand side by side in a state of unconditional union together. Unconditional community allows for multiple creators and creations to dance under the umbrella of a common purpose in order to evolve or ascend together.</p>
 <p>9 40</p>	<p>The Symbols Unity Consciousness and Community unite to become Unconditional Community</p> <p>Unconditional Community is a completion tone, which allows tones 50-59 to become unified into the single tone of unconditional community. Unconditional community allows for multiple creations to stand side by side in a state of unconditional union together. Unconditional community allows for multiple creators and creations to dance under the umbrella of a common purpose in order to evolve or ascend together.</p>
<p>60</p> <p style="text-align: center;"><i>Unconditional Community</i> <i>Nature: Completion</i></p>	<p>The Symbols Unity Consciousness and Community unite to become Unconditional Community</p> <p>Unconditional Community is a completion tone, which allows tones 50-59 to become unified into the single tone of unconditional community. Unconditional community allows for multiple creations to stand side by side in a state of unconditional union together. Dual Tones

 <p>5 34</p>	<p>The Symbols Breath of Life and Passion unite to become Fortitude</p>
<p>61</p> <p style="text-align: center;"><i>Fortitude</i> <i>Nature: Active</i></p>	<p>Fortitude is the tone that amplifies truth, unity, and perseverance in a manner that the chi behind one's manifestation or creation is enhanced. Creation requires energy to sustain it, and a boost of chi or energy to create the momentum necessary to evolve and ascend. It is through the tone of fortitude that the momentum for evolution and ascension is sustained both within the individual and the group by continually amplifying the energy behind the creation.</p>
 <p>4 25</p>	<p>The Symbols Compassion and Truth unite to become Unity Based Truth</p>
<p>62</p> <p style="text-align: center;"><i>Unity Based Truth</i> <i>Nature: Passive</i></p>	<p>Unity Based Truth defines and sets boundaries on the truth within any given creation. Truth can be likened to a segment of vibrations that brings forth a particular experience within a creation. In unity based truth, only those vibrations of truth that are inherently resonant with one another are allowed. Unity is the result of resonance, common purpose and design. The Unity Based Truth tone brings forth resonance, common purpose and design within any creation.</p>
 <p>5 25</p>	<p>The Symbols Breath of Life and Truth unite to become Evolution</p>
<p>63</p> <p style="text-align: center;"><i>Evolution</i> <i>Nature: Integrative</i></p>	<p>Evolution is the tone that pushes the individual or group forward on the path and journey towards ascension. The tone of Evolution will cause outworn ways of being to be cast off allowing for the next segment of information to be brought forth in the process of ascension. Within the group, the tone of evolution will cause those who are holding back the next phase of ascension to be cast off, thus allowing the group to rise again in vibration as a whole.</p>
 <p>32 3</p>	<p>The Symbols Dream and Power unite to become Domain or Region of Dominion</p>
<p>64</p> <p style="text-align: center;"><i>Domain</i> <i>Nature: Active</i></p>	<p>Domain or Region of Dominion is the tone that contains a creation based upon the principals of fortitude, unity based truth and evolution. In the process of evolution, creations are continually molded to bring forth the next upward leap in vibration. This molding brings forth each changing phase of energetic dynamics within both the individual and within a group. Such energetic changes create a domain in which each member of the group or soul within an embodiment is contained.</p>

Dual Tones

 <p>24 7</p>	<p>The Symbols Internal and Freedom unite to become Beingness or I Am That I Am</p> <p>I Am That I Am is the tone that allows each part of a given creation along with the creation at large to be as it is in the moment. It is through the process of allowance that surrender is accomplished. Surrender is the act of relinquishing one's ego based desires unto the greater purpose of soul. Deeper and deeper states of surrender occur a little at a time in the evolutionary process of either an individual or a group. The deeper the commitment and surrender to soul, the deeper one moves into a state of total allowance or acceptance of All That Is.</p>
<p>65 <i>I Am That I Am</i> Nature: Passive</p>	
 <p>23 2</p>	<p>The Symbols External and Structure unite to become Unity Based Relations</p> <p>Unity Based Relations is the tone that brings forth allowance between individuals or between groups. As each individual or group allows all other individuals or groups their particular dance, expression and experience, unity is sustained within the relations therein. Unity within a group requires each member to embody the tone I Am That I Am such that total acceptance of one another is sustained. It is only in total acceptance and allowance of all experiences of another that unity relations within a group are mastered.</p>
<p>66 <i>Unity Based Relations</i> Nature: Integrative</p>	
 <p>18 17</p>	<p>The Symbols Function and Intuition unite to become Journey</p> <p>Journey is the particular truth that any individual or group has chosen to explore within the experience of evolution. Much like spokes upon the wheel, each truth can be likened to an individual spoke. It requires all spokes to make up the entire wheel, and each unique expression of truth is necessary to sustain the whole of any creation. Each truth creates a unique experience in the process of evolution or ascension that contributes to the overall journey of the group. Each group creates a unique experience in the process of evolution or ascension that contributes to the overall journey of all groups.</p>
<p>67 <i>Journey</i> Nature: Active</p>	
 <p>2 25</p>	<p>The Symbols Structure and Truth unite to become Map or Pathway for Evolution</p> <p>Map or Pathway is the tone that continuously aligns ones journey to one's particular truth. There are many potential paths one can take upon any given day. Not all paths are in alignment with one's truth. Invoking the tone of Map or pathway will align each step of one's journey to the particular truth that they are upon Earth to experience. Invoking the Map tone within a group aligns the entire group to the unique set of Truths that the group has chosen to experience.</p>
<p>68 <i>Map or Pathway</i> Nature: Passive</p>
